

Candidate Background Form

BRIAN SCADDAN

In considering the different Pathways to gain your JIB Gold Card, we require you to complete the following questionnaire.

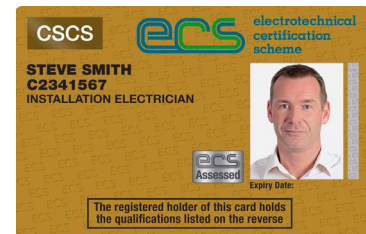

After completion this questionnaire will be submitted to our team who will arrange a telephone profiling call with you. This call will be recorded and will be based off this and other information that you provide.

If you are successful in your telephone profile, Brian Scaddan will confirm which Pathway is the most suitable.

Your Training Consultant will discuss with you the various options available to you, including all the steps required in supporting you to gain your JIB Gold Card.

Included in these discussions will be your:

- Prior experience
- Any electrical qualifications you may hold
- 18th Edition (if applicable)
- Test & Inspect qualification (if applicable)
- Temporary ECS Card whilst completing your NVQ
- AM2/E
- Helping you decide whether you wish to take our Platinum Package

If you are unsuccessful, we will provide you with information, advice and guidance on what steps you will need to take in order to ready yourself for any of the Pathways.

Please answer the following questions as honestly as possible. Failure to provide accurate information to Brian Scaddan may impact the outcome of your application. (remove the associates)
